QUALIFICATIONS:

As an information technology professional, I have acquired several years of experience in the project management discipline. I am responsible for managing people and projects and understand that good planning, teamwork, and communication are essential in implementing any successful project.

I believe that my professional skills along with my talents in organization and administration will be best utilized by serving as a board member.

GOAL OR COMMENTS:

I'm a wife and mother of three and our family moved to Sawyer's Creek in January 2004. I want to make a difference in my community and will put forth my best effort to make Sawyer's Creek the best place to live in South Jersey.
